IFCO Endorses Joint Statement Rejecting WFC's Conclusion Regarding Chiropractic and Immunity

We the Board of Directors of the IFCO, on behalf of our membership, have endorsed the profession wide Joint Statement rejecting the WFC's conclusion regarding chiropractic and immunity. The Joint Statement has been signed by at least 21 national, international, professional and trade organizations representing thousands of chiropractors around the world.

Click the red button below to read the Joint Statement.

Joint Statement

The International Federation of Chiropractors and Organizations (IFCO) is an international organization of chiropractors, students and others who support the practice of chiropractic for the purpose of correcting vertebral subluxations because subluxations, in and of themselves, are a detriment to the fullest expression of life in all people at all times. The IFCO stands for: Correcting Vertebral Subluxations: Nothing More – Nothing Less – Nothing Else.
